Project Title: Labs

I will create a single page site on labrador retrievers. There will be a nav bar at the top so you can jump from section to section.

https://en.wikipedia.org/wiki/Labrador_Retriever

I will include:

1. **History**-an intro to the topic including origins of the breed
2. **Characteristics**
3. **Use**-what the was dog bread for. What people use it for now.
4. **Health**
5. **Demography**
6. **sources**
